CSA Farm-Member Agreement: Terms of service

In becoming a member of Ananda Gardens you agree to the terms of service. Community Supported Agriculture (CSA) is a relationship between farmers and eaters.

It is a step beyond just buying vegetables and together we are building a more resilient community. When you sign up for the Ananda Gardens CSA, you're paying in advance for your share of the farm's harvest.

The farm share payment is non-refundable. Farming is unpredictable, so we can't guarantee there won't be variations in the quality and quantity of the produce we're able to harvest, depending on many circumstances that are beyond our control.

OUR CSA'S OFFERINGS TO YOU: Our commitment to you

As your farmers we are committed to you, and promise to provide you with the best fresh quality produce we can grow. If you are not satisfied with your CSA please call us to talk about any changes that we can make to improve our service. It is our promise to help you have the best experience as our CSA Member. As a member you are responsible to communicate and contact us about your needs, and if there are any questions or concerns.

CSA LOGISTICS

Logistics for Home Delivery

Every week you will receive an insulated bag with our produce. The bag will contain a variety of vegetables according to the season, and the availability in the gardens. The selection is made by Farmer Patrick and will consider textures, colors, and flavors.

The delivery route is done between 1 PM and 6 PM. Although, the first week you can expect to extend to 7PM or 8PM since we are getting to know the new addresses. Thanks for your patience and cooperation.

On your second delivery and on, we kindly ask you to leave your tote bag outside your house in a visible place so we can swap it with the new bag. Please keep your bag clean and dry in consideration of the farm team. At the end of the season you will keep the last bag of your last delivery.

Receiving your Delivery: setting up

We kindly ask you to designate a special place for your delivery and communicate with us if your address changes or is tricky to find. We also appreciate it if you notify us where would be the best spot to leave your share to avoid rodents, rain, or other potential hazards.

Missed Home Delivery Policy

If for any reason you are not able to receive the weekly delivery, please communicate with Melisa Oliva at wellness@Anandagardens.com and let us know so we can make the arrangements and changes.

If you can't take the delivery, but do not want to skip a week, you are welcome to come to our Market Style Farmstand and choose your own CSA on Thursdays from 3 PM to 8 PM and Friday from 10 AM to 6 PM. (Please read our Market Style Farmstand Logistics)

After the first missed week, we will donate any further missed weeks to our community through our partners of Community Harvest of Central Vermont, or you have the option to make up any additional missed weeks by coming to the Farm Stand during that season.

Members of the 3 Seasons CSA can make up their missed weeks throughout the 3 seasons and possible extensions.

Logistics for Market Style Farmstand CSA Members

Our Market Style Farmstand open hours are Thursdays from 3 PM to 8 PM and Friday from 10 AM to 6 PM.

Here at our Market Style Farmstand you can choose from all the items we have harvested, except the add-ons. The add-ons (ex. bread, mushrooms, fruit) are products pre-paid by other CSA members and when you take any of these products this affects the farm and other members of our community. Thank you for taking this into consideration.

Every CSA member has pre-paid a specific size of share.

If you have paid for a Small Share you can choose 6 items.

If you have paid for a Medium Share you have paid for 9 items.

If you have paid for a Jumbo Share you have paid for 12 items.

An Item is (unless otherwise noted):

A bunch, a pound, a bag, a pint.

Among choosing what you like from our products, at our farmstand you have the perk of also choosing the quantities of what you like. For example: you might

choose instead of buying a whole pound of tomatoes, which is an item, a 1/2 pound of tomatoes and 1/2 of peppers, that will count as an item.

Bags and bunches are not to be divided, though.

At our farmstand you can also decide that you want more than 1 item of the same thing, for example: 3 pounds of tomatoes, for a canning project, will be 3 items.

Every new CSA member receives an insulated bag at their first pick up. You will then bring this bag to pick up your share each week. Please feel free to also use your bag for a picnic, grocery shopping, etc.

Market Style Farmstand Missed Week Policy

If you want to skip a week, our policy is that you can come to the farmstand and make up a missed week or double your share the next week. Let's say you have a small share and you skip a week, you can decide if you want to use your 6 item credit on your next visit, over time, or when something you like is in abundance like Basil for pesto projects. Your item credits will expire once the season you signed up for is over.

As a perk for our 3 Season CSA Sustaining Members, they can carry over their credit from Spring, to Summer or Fall.

Add- Ons Logistics

Our add-ons are possible thanks to a partnership with local producers. Currently we have a partnership with Rise Up Bakery, in Barrie, and with Mansfield Mushroom Co. in Morrisville.

At the beginning of the season CSA members sign up and we create a pre-order for the season to come. CSA members pay us and we pay directly to these producers.

If at any point a CSA member decides to join an add-on, they should communicate with Melisa Oliva at wellness@anandagardens.com to add their request to the general order.

Add-on payments are not refundable.

Add-on missed Week Policy

The CSA member would have to communicate with Melisa Oliva at wellness@anandagardens.com to let her know about the date. Bread and Mushrooms are coordinated separately with our partners, so what we offer you is either to donate your add-on or freeze it for you to pick it up at the farm (coordinating with Melisa on time and date of pick up)

CSA Start Dates*

Spring CSA- First week of April

Summer CSA- First week of June

Fall CSA- Last week of September

These are the approximate dates that we have started our CSA's in the past (actually: every year since we started!) Just please keep in mind that due to unexpected changes of the climate we are facing, this can vary and if there are any changes we will make sure to communicate with you in a timely and sensitive manner. Ex. We may choose to start the summer CSA a week later if we have a really cold Spring.

Payment submissions

We offer 4 different ways to submit your payment: cash, checks, Venmo, and through an online payment service called payable that uses paypal and square. Both Venmo (1%), and the Payable (%2.35 + \$0.36) charge a fee for their services.

To avoid this extra fees, you can send us a check to pay us cash at:
Ananda Gardens
2416 Horn of The Moon Rd.
Montpelier, VT 05602

All the checks, including the checks of the add-ons, should be submitted to Ananda Gardens.

Please note that we do not accept payments of CSA shares and add-ons that are left at the honor box. The honor box is not an acceptable place to leave a CSA payment and we are not responsible for money left in the honor box to cover CSA payments or add-ons. Thanks for your understanding!

Emergency changes

At Ananda Gardens we understand that life happens and changes constantly in unthinkable ways. Although our terms of service established that our CSA's are not refundable, please communicate with us if you have an important life circumstance that would not allow you to continue with our service. (Ex. If you move out of state, you lose your job, you have a family or personal medical emergency, etc.) On case bases we will evaluate if we can make an exception when a refund is appropriate and needed.

Use of installations, public and restricted access areas for Home Delivery Members, Market Style Farmstand CSA Members, and General Public.

At Ananda Gardens we love to host our CSA members, so we:

Highly encouraged you to walk around the gardens and enjoy the miracle of your food growing in this beautiful and peaceful landscape. You can come to the farm anytime during our open hours:

To enjoy a better experience we invite you to walk around the perimeter of our deer fence and the gardens.

The area of the Playground is open to the public. We kindly ask you to clean up after playing, especially with plastic toys, because if they are left in the field they are chopped up when we mow the lawn and distributed in our precious soil affecting earthworms and soil biology, so thanks for keeping the toys, and balls in the playhouse!

We believe this land is sacred and it should be shared and cherished. If you want to share it with friends and family, from VT or out of state, please feel free to come during open hours.

If you are planning an event or would like a private farm tour to learn more about our gardening practice and whole food plant based nutrition from the farm, please contact Melisa Oliva at wellness@anadagardens.com to check availability and schedule a farm experience.

Frequently Asked Questions

Can we customize our delivery share?

If you want to choose exactly which vegetables you get each week, we offer the Market Style Farmstand CSA.

For logistical reasons we do not offer customization of Home Delivery CSA. We are proud of the variety and freshness in your bag each week and are confident it provides a nice seasonal selection of vegetables, with the convenience of home delivery.

How do Home Deliveries Work?

Every week the farmer will pick for you the best organic vegetables from the garden harvest and create a selection of produce based on the availability and diversity available. Then shares will be packed in an insulated Ananda Gardens tote, so that your produce will stay fresh for many hours if you are not home when we drop your bag off. We drop your produce off at the door of your home or workplace.

Each week you will leave the empty bag out for us and we will bring you a full bag of delicious and fresh produce. And so on, for 16 weeks during summer and 10 weeks during Fall. This service has an added fee of \$2.00 per delivery.

Does the delivery have any additional cost?

The delivery fee is \$3.00 per delivery. Your CSA payment also includes 1 insulated tote that you get to keep at the end of the season. These special insulated totes ensure your produce will stay fresh during delivery.

How do you measure the value in each bag?

We give you a certain number of items each week, depending on the size of your share. An item is a bunch, a bag, or 1-2 lbs of a vegetable. We do not just fill up the bags, we make sure you are receiving a fair value for what you paid and seasonal diversity for each week.

What happens if I am not going on vacation for a week?

For our members that are going on vacation we offer the choice to put your share on hold for one week, and you get credit you can use at the Farmstand in the remaining weeks of the CSA or double your share the next week. Or if you are a Delivery customer, we can deliver a double share another week of your choosing during the remainder of the CSA. You must let us know by Saturday the week before, so that we can plan accordingly.

Note that the add-ons can not be placed on hold. We can freeze them for you and you can coordinate with [Melisa Oliva](#) to pick them at the farm, otherwise they will be donated.

If you go on vacation for multiple weeks we donate your share after the first week to Community Harvest of Central Vermont.

What if I don't recognize something in my bag?

You can check our website under [Recipes](#) as we are updating it frequently in accordance with what we have ready in our garden. You can also always text us at (802) 279 337 or email us at info@anandagardens.com.
